(G.O.Ms.No.194, Highways and Minor ports (HN 2) Department dated 01.08.2008.)

## **PORT BASED INDUSTRY :**

Shipbuilding, Ship repair Yard and Modular Fabrication Facility developed by M/s.L&T Shipbuilding Limited, Chennai.

## **DETAILS OF PORT INFRASTRUCTURE / FACILITIES :**

- The Government in Industries Department had issued G.O.Ms.No.9, Industries (MIE.I) Department, dated 23.01.2008, permitting M/s L&T Limited and M/s TIDCO to form a Joint venture company namely, M/s L&T Shipbuilding Limited, for developing a Shipbuilding Yard cum Minor Port Complex at Kattupalli.
- This was necessitated to enable Indian Shipbuilding Industry to build flotilla for the Indian Navy and Coast Guard.
- Since a stand-alone shipyard cannot sustain a large-scale investment for a breakwater supported harbour, the above G.O. also permitted this company to handle other commercial cargo subject to the approval of Tamil Nadu Maritime Board.
- Accordingly, Tamil Nadu Maritime Board permitted this captive port to handle other commercial cargo in line with the Minor Port Development Policy.
- As such, the port facility here comprises of 1.5 Kms long Northern breakwater, 3 kms long Southern Breakwater, 5 Kms long Navigational channel to a depth of 15 mts. and other harbour related infrastructure.
- The Port is handling Containers, General cargo etc., and also building Offshore Platforms etc., besides Ship Building and Ship Repairs.
- The Port was inaugurated by Hon'ble Chief Minister on 30.01.2013.
-
